State Head of Newspapers Condemns Peterson Action

Strong condemnation of the action of County Manager Frederick Peterson in banning the Tribune's regular courthouse reporter from news conferences because of exception taken to a Tribune editorial, is contained in a letter received this week from the president of the California Newspaper Publishers Association.

Head of more than 400 of the daily and weekly newspapers in the state this year by virtue of his election to that position in January at the convention in Coronado, M. F. Small of Quincy, publisher of the Feather River Bulletin, is an authorized spokesman for California papers.

Declaring that Peterson must lack "perhaps a knowledge and certainly an understanding of the fundamental freedoms that are the very essence and fibre of America," President Small asserted that this newspaper "would be derelict of your journalistic trust if you acquiesced in this dictatorial act of Frederick Peterson's."

Small's letter, addressed to Neal Van Sooy, manager of the Tribune, follows:
"I have just been reading a copy of the Redwood City Tribune of Mar. 19 in which it is reported that the San Mateo County Executive, Mr. Frederick Peterson, has banished from his office a Tribune reporter, Mr. Ray Spangler.

"The grounds on which Peterson has based his edict—his disapproval of an editorial in the Tribune and Mr. Spangler's comment thereon—suggests that Peterson lacks perhaps a knowledge and certainly an understanding of the fundamental freedoms that are the very essence and fibre of America.

"When you object to his act, you are not taking issue with an officer who has caused inconvenience to you and to the operation of the newspaper upon which the people of Redwood City depend for the news and editorial interpretation necessary to their being well-informed, intelligent citizens.

"You are taking issue with one who has flagrantly and stupidly violated the principle that in this country the employees of government, the servants of the people, are beholden to the people.

"When our fathers kicked George III and his Colonial Gov-

ernors out of the land, they threw after them the right of any civil servant to dictate to the people what they shall do, what they shall know, and what they shall say concerning it.

"You have taken exception to an act which violates civil liberties just as much as if he should close a church if it displeased him; or should disperse peaceable assemblages, or take arms from the people, or search them without a warrant, or inflict cruel and unusual punishment.

"You would be derelict of your journalistic trust if you acquiesced in this dictatorial act of Frederick Peterson's. For if you did so, it would then become easier for some other public servant, somewhere else, to do likewise. And these acts would accumulate and grow bolder until there would be no more of freedom of the press, or any other freedom.

"Therefore I hope you will not retreat from this petty dictator who has reared his head in your normally happy and thoroughly American city and county. He may seem 'petty' now, but if he gets away with it once, he will become even more intolerable, and will give aid and comfort to others who would follow such an utterly inexcusable example."

Absent Councilman Wins Court Fight

Capt. Hugo May, Menlo Park city councilman who was under fire for absenting himself from council meetings beyond the statutory limit, was upheld in his fight to keep his office when Judge Maxwell McNutt in superior court Monday announced judgment in his favor. The judge prepared no opinion.

Captain May's ouster was sought by Cecil Baxter on June 24, when Baxter was appointed to succeed May on the council. City Atty. James T. O'Keefe Jr. came to May's support and fought the case through the courts after Baxter initiated quo warranto proceedings to force the captain's ouster.

Meanwhile Captain May has announced his voluntary retirement from public office. He will not be a candidate in the April elections. Baxter has filed nomination papers.

BUY HILLSBOROUGH HOME

Mr. and Mrs. E. Whitney Olson, recently of Portland, Ore., have purchased a new \$20,000 home in Newhall Manor, Hillsborough. The deed was recorded Monday by County Recorder T. Clark Rice at request of California Pacific Title and Trust Co. Olson is an executive of the Olson Steamship Co.

Coming to Redwood Theatre

Mickey Rooney dries Judy Garland's tears in a poignant moment from the new M. G. M. musical, "Babes on Broadway." Coming Sunday afternoon to the Redwood Theatre, "Road Agent," with Leo Carillo and Andy Devine is the second feature on the holiday bill.

MENLO PARK NEWS

BY D. E. O'KEEFE

MENLO PARK—John Dougherty of Chicago has bought a home in Stanford Park, to which he will move with his wife and three charming daughters in June. Mr. Dougherty is a retired attorney.

The state has in contemplation widening of Santa Cruz Ave. from the highway to the Skyline. This will require the moving back of several buildings facing on the street. When completed, the thoroughfare will be among the most popular drives of the county.

James McHugh of New York, who recently bought two acres in a local subdivision, is to erect a \$10,000 home this summer. His son is a prominent lawyer in San Francisco.

Miss Catherine Gould, a pretty miss, is here from Reno, Nev., visiting friends. On her return home she will be married to David Shane, an attorney. The young lady has made many friends while here.

There appears to be no truth

in the rumor that a shakeup in the police department is about to take place. If there is to be one it will not occur until after the new board is seated in April. The members of the department are doing a good job and therefore there is no occasion for any change.

The large flocks of wild pigeons seen here all winter have departed for their summer homes in the hills of Montana and Canada. The birds will return when winter comes again.

There is some talk in town that a ticket for places on the city board at the Apr. 14 election will be sprung at the last moment. The candidates are said to be prominent citizens and taxpayers from every section of the city. If so the campaign should be a lively one.

It was rumored this week that Palo Alto contemplates annexing the Hopkins 600-acre tract in the near future. The people of Menlo Park should be alert and oppose any attempt to "steal" this territory, which rightly belongs to them. A move-

San Carlos Sirens Approved After Test

SAN CARLOS—The city's new air raid warning system was given complete approval here by Police Chief Edward J. Wheeler. Six new small sirens dispersed throughout the city were installed last week to aid the city's main siren at the firehouse to warn San Carlos of blackouts and air raids. A test Sunday was made at noon while watchers stationed themselves in various parts of the city. Wheeler said the new system worked perfectly.

The Golden Gate and the San Francisco-Oakland bridges were designed and built to resist air attack.

ment should be started at once to bring this property into this municipality. The sooner the better.

Officer Louis Nelson of the local police force has left for Bakersfield to take the office of state highway patrolman. He passed the state examination some time ago at Sacramento. George Gomez is filling the vacancy.

"We're going to Wards for our EASTER SHOES"

"Easter is one time when we all get new shoes. And we always get them at Wards! It's fun, because there are so many brand new styles to choose from! And the salesman always measures our feet so carefully, and tells us how fast we're growing. Mom says Wards is like the family doctor, because she can trust them with everything—even our feet. Mom's pretty careful about our feet. She says they're like a foundation—and the right shoes keep us growing straight. She looks at the leather, and the sole, and even inside—and she and dad always marvel how Wards can sell such well-made, long-wearing shoes at such low prices. P.S. We're buying Defense Stamps with the money we're saving!"

Your Children's Shoes

Sequoia-Tribune Classes

Pre-Service Men's Course In Swimming Planned Here

A slight change in time for the Sequoia High School-Tribune sponsored free swimming classes planned to start Saturday, Apr. 4, was announced today.

In addition, the program has been changed to appeal particularly to pre-service men—men of the community who may soon be inducted into the military forces—who do not know how to swim.

Because the high school plunge is not available prior to 11 a.m., the hour between 11 and 12 on the Saturdays during April will be reserved for pre-service men who cannot swim.

From 12 noon till 1 p.m., instruction will be given other non-swimmers in the community.

Clyde Devine, instructor in charge, explained that ability to swim 50 feet eliminates one from the non-swimmer classification.

Should additional times be needed, they will be arranged.

Besides the swimming lessons, a course in life saving will be offered for adults. It will start Monday evening, Apr. 6, at the school under direction of Devine and sponsored by the Sequoia Evening School.

Filipinos Invited To Join the Navy

Filipinos who want to help the United States Navy fight to save the Philippine Islands now have a new enlistment opportunity.

A new ruling provides that Filipinos from 17 to 50 who are citizens of the insular possessions of the United States may enlist as mess attendants in the Naval Reserve.

Information may be obtained at the navy recruiting station, courthouse, Redwood City.

School Cost Cuts Urged

Miss Pansy Jewett Abbott, county school superintendent, has expressed the hope that 1942-43 school budgets will stay within last year's totals.

In forwarding an appeal for economy from the state legislature to local school boards, Miss Abbott said she believed it was reasonable to assume that budgets would not increase.

In some cases where increasing attendance makes additional facilities imperative, she said, there will be increases in capital outlay and other costs.

"We can save in the little ways," she said. "Now that we are at war, we must use shorter pencils and perhaps half a sheet of paper where we used a whole one before."

She said maintenance standards may have to be decreased in view of the present situation.

The legislature's economy appeal, filed in January, urged boards of school trustees to reduce expenditures to the fullest extent "to which that may be done without interfering with the fundamentals of a sound educational program or teaching of those subjects required by the statutes of this state and without endangering teachers' salaries."

R. C. Firm Orders 'All-Out' War Aid

"All-out support of the nation's drive for increasing war production for the duration is pledged by the management of the Johns-Manville plant here," Manager E. S. Hurrell declared here, following receipt of a telegram announcing plans to help in the national war effort.

"How employee-management co-operative committees can be established in all Johns-Manville plants and offices in accordance with Donald Nelson's urgent pleas for increased production, will be a chief subject of study at the New York conference," Manager Hurrell said.

A telegram was received from S. A. Williams, vice president in charge of production, announcing the conference.

Kiwanians Become 'Evacuees,' Eat a Red Cross-Prepared 'Refugee' Meal

An example of how evacuees will be fed by the Redwood City Red Cross canteen unit was given members of the Kiwanis Club yesterday noon when they held their meeting in St. Peter's Church and ate a typical "refugee" meal.

The luncheon was served by the nutrition class of the local Red Cross chapter, with Mrs. I. J. Cooper, chairman of the

Thomas W. Cutting in charge. A salad, hot meat, potatoes and vegetables, corn bread, dessert and a hot drink comprised the meal which was scientifically balanced to provide all valuable food elements in an inexpensive, easy-to-prepare form.

James D. Hedge was chairman of the meeting. The speaker was I. J. Cooper, chairman of the

canteen units of the Redwood City area, which extends from San Carlos to Palo Alto and from Skyline Blvd. to Bayshore Hwy.

Cooper told of the program for mass feeding in an emergency, particularly if the army orders evacuation of San Francisco. Since all of the movement would

be down the Peninsula, it is necessary that the local Red Cross be prepared to feed thousands upon very short notice, he pointed out.

At present the local set-up has progressed to a point where it is possible to feed 15,000 people under emergency conditions.

"We do not envision any immediate need for such services," concluded Cooper, "but we do want to be prepared. Perhaps we shall work for two years in planning, but if as a result we are able to care for homeless thousands in any kind of an emergency — war, flood, fire, earthquake or what—then we shall have been well repaid for this effort."

shall have been well repaid for this effort."

MARSHALL AND ARGUELLO MARKET—FRIDAY-SATURDAY ONLY

Mrs. Ellie Grant Of Emerald Lake Dies

Mrs. Ellie Grant, resident of the Emerald Lake district for 3 1/2 years, died Saturday night at Middlefield Hospital, where she had been taken Thursday evening. She and her husband, Harry G. Grant, were engaged in the hotel business in San Francisco.

Because it was reported to him that Mrs. Grant had taken sleeping tablets before being taken ill, Coroner W. F. Crosby was making an investigation of the death. He ordered an autopsy and said he planned an inquest.

In addition to her husband, Mrs. Grant leaves a son, Don Grant, of Jefferson Ave. and Edgecliff Way, Emerald Lake; a

Berghorst's Trial Set Here for April 23

Trial of Sam Berghorst, 37, laborer living at 609 Redwood Ave., Redwood City, was set for Apr. 23 Monday by Judge A. R. Cotton. Berghorst pleaded not guilty to charges of felony drunk driving arising from a Bayshore Hwy. accident near Burlingame Jan. 30 in which Ellet Horsman, 52, Hillsborough, was injured. Berghorst will be tried by jury.

daughter, Mrs. Eileen Babich of San Francisco; and two grandchildren, Carol and James Babich.

Mrs. Grant's Emerald Lake home was at Highland and Jefferson Aves.

26th Birthday Feted by Western Auto

Upper left is pictured the first Western Auto Store, and upper right, its first employee and present vice president and general manager, Hal R. Baker. Right center is shown the modern home office in Los Angeles. The firm is celebrating its 26th birthday.

Fire Alarm Box Protection Planned In Redwood City During Blackouts

To protect the city fire alarm system in blackouts from saboteurs and hysterical civilians, the Redwood City City Council Monday in executive session

voted tentatively to call up 166 special duty firemen to guard each fire alarm box.

The action was taken after a two-hour discussion subject to approval by the Board of Fire Underwriters of the Pacific.

According to Mayor Harold F. Anderson, two proposals were referred to the council by the emergency control center board. One was the system in use in Palo Alto which cancels all box alarms during air raid alerts, transferring fire calls to air raid war-

dens through the control center. The other was the system in use in San Jose which calls for continued use of the alarm system despite blackouts.

Anderson pointed out that security provisions were necessary to guard against hysteria or fifth columnists who might seek to use the fire alarm boxes to divert fire equipment to remote parts of the city.

The compromise plan will place a guard of two men on each of the city's 83 boxes.

Kenneth Carlock Dies After Long Illness

Kenneth J. Carlock, for 12 years a janitor at McKinley Intermediate School until his retirement because of illness a year and a half ago, passed away Monday evening at his home, 438 Vera Ave., Redwood City.

Mr. Carlock, a resident of this community 21 years, was 55 years of age. He was the husband of Mrs. Mary Carlock; the father of Gertrude M., Beth F., Llewellyn R. and Ira H. Carlock; the grandfather of Sandra M. Stark, all of Redwood City; and the brother of Mrs. Zorah Leonard and Alfred and Elwood Gylock, all of the Mid West.

The funeral was held Wednesday at 10 a.m. at the Franklin & Crowe Mortuary, with the Rev. Charles E. Ward of the First Congregational Church officiating. Burial was in the Golden Gate National Cemetery, San Bruno. Mr. Carlock having served in the U. S. Army prior to moving to Redwood City.

Dorothy Maynor Sings At San Jose Tonight

Dorothy Maynor, the sensational Negro soprano of whose singing of "Du bist die eine Blume" Oscar Thompson said in the New York Sun, "One might wait a lifetime to hear such singing," appears in the civic auditorium at San Jose this evening at 8:30 o'clock. Miss Maynor is presented by the Denny-Watrous management, the concluding event of the San Jose Concert Series.

Daughter of a Norfolk, Va., Methodist minister, Miss Maynor went to Hampton Institute, where she received musical education. Her phenomenal voice was discovered by Serge Koussevitzky, conductor of the Boston Symphony. Her success has been as great and as spectacular as that of her compatriot, the contralto, Marian Anderson.

Seats for the Maynor concert are on sale at the auditorium box office, (Columbia 7087).

Cantata Presentation Set for Sunday Night

"The Seven Last Words of Christ," a sacred cantata by Theodore DuBois, will be presented in Redwood City at 8 p.m. Palm Sunday, Mar. 29, at the First Congregational Church. This well-known cantata, most familiar of all Passion Week music, will be sung for the first time in Redwood City by a choir of 45 voices directed by Karl D. Ernst and Lyle Mayer, directors, respectively, of the First Methodist and First Congregational Church choirs of Redwood City. Supporting soloists will be George Prall, tenor; John Dusel, baritone; Margaret Gilboy, soprano, all of Redwood City, and Marjory Benson, soprano, of Palo Alto. Miss Benson recently sang the lead in the Beggar's Opera at Stanford.

O. M. Van Duyn Opens Law Office Here

O. M. Van Duyn, who has practiced law in San Francisco for 20 years, has opened a law office in the Sequoia Building. He has lived in Redwood City 13 years. His home is at 75 Hudson St.

Population Figures

Japs Urged To Use WCCA Facilities

Concentrations of Japanese and Japanese-Americans in California, as shown by figures compiled for the Western Defense Command's Wartime Civil Control Administration by U. S. Bureau of Census caused officials to urge again today that affected persons in the area take immediate advantage of facilities of nearest WCCA service centers for speeding of property settlement preparatory to evacuations.

Such an office is located in San Mateo at 15 B St. California, of the four Pacific Coast states affected by orders regarding Military Area 1, had the greatest number of Japanese and Japanese-Americans, with 83 per cent of the total, or 93,717 out of 112,985, residing within its borders in 1940. Thirteen per cent, or 14,565, lived in Washington; 2454 lived in Oregon, and Arizona had 632.

San Mateo County, the census report showed, had 1218, of which 418 were alien and 800 American-born Japanese. Of the 244 heads of families

in this county, 191 were alien born.

The census report showed that the Third (southern) Township had a total Jap population of 442, of which 150 were alien. Of these, 105 (including 35 alien)

722 Aliens Seized Since Start of War

SAN FRANCISCO (AP)—FBI agents have seized 722 enemy aliens in Northern California since the war started and confiscated 84,300 rounds of ammunition and 72 guns.

The report on raids conducted by federal agents came as Nat J. L. Pieper, special agent in charge of the FBI office here, was conducting conferences with police chiefs in Northern California counties. Pieper will meet with the police authorities in the Palo Alto area Monday.

were within Redwood City and 69 (including 24 alien) in Menlo Park.

Township 2 had a total of 628 Japs (228 of them alien), of which 64 were in Hillsborough (35 alien); 42 in San Carlos (14 alien); 435 in San Mateo (15 alien).

Township 1 (northern) had only 4 Japanese, all citizens; Township 4 (Coastside) had 140 Japs, of which 40 were alien; Township 5 (Burlingame) had 4, all citizens.

Voluntary consultation by Japanese with WCCA services centers cannot only greatly expedite the evacuation, but will insure minimum loss of property to the individual, it was pointed out. Heaviest concentrations of Japs were revealed to be in Los Angeles County, where nearly 37,000 Japanese and Japanese-Americans make their homes, and where evacuations began Mar. 23. King County, in Washington, near Seattle, ranks second, with a total Japanese population of 9863. Third in popula-

tion density is Sacramento County, with 5280, is San Francisco County, with 5280, is San Francisco County, with 5280, is

Pre-Easter Event

'Al' Terremere To Start Egg Hunt Here on April 4

Used to hearing guns stop athletic contests in which teams he has coached are participating, Albert J. (Al) Terremere Jr., Sequoia High School coach, will himself fire a gun to start a contest on Saturday, Apr. 4.

The contest will be the annual Easter Egg Hunt, which will be held on that day at 11 a.m. at Hawes Park, on Roosevelt Ave. in Redwood City.

Terremere will be officiating as president of the Exchange Club, which is sponsoring the event in co-operation with the city's recreation department.

Recreation Director Alfred Morton said today that this year's event is to be the best ever held here. More than 1000 eggs will be hidden. Among them will be four lucky ones which will bring special prizes to children finding them.

The eggs will be harder to find this year, however, Morton said, for the grass is much higher.

There will be two separate hunts at the same time—one for little children, one for the larger youngsters.

All children are invited. There is no charge.

3 More Join R.C. Chamber

Three more businessmen have joined the Redwood City Chamber of Commerce, it was reported Monday at the directors' meeting. They are New Deal Market, Jerry's Smoke Shop and Lillian & Louis Cafe.

The directors heard reports, among them one from Pres. Carl E. Ward that a survey of housing facilities had just been completed by Wayne Johnson, former executive secretary of the San Mateo County Housing Authority, that it was hoped would bring revocation of an order issued last week halting priorities for home construction on the Peninsula.

"It is my opinion," Ward declared, "that the government will not allow a housing shortage for defense workers."

Other business included the adoption of a provisional budget of \$4319.37 for the year—slightly more than last year's expenditures of \$4241.19; confirmation of Thursday, May 21, as date for the membership barbecue, which will be followed by a "gay nineties" dance in connection with the Diamond Jubilee celebration; and approval of a new auditing system as suggested by City Clerk C. W. Eltringham, head of the chamber's auditing committee.

SAFEWAY GUARANTEED FARM-FRESH PRODUCE

WHY SAFEWAY SELLS PRODUCE BY WEIGHT:

Would you buy steaks by the piece? Hardly, because you know they vary greatly in size. Isn't the same true of oranges, grapefruit and lettuce? That's why Safeway feels that the only accurate way of determining value in fruits and vegetables is by weight . . . then you know that you pay only for what you get.
